Dear Sirs,

s.s. "SEROOSKERK" and "ZUIDERKERK".

I was duly favoured with your letter of the 16th instant in further reference to the survey of the new rotors ordered from you for the above Steamers.

With regard thereto, I have to say that Mr. G.O. Watson, the Society's Senior Electrical Engineer, is to visit your Works next week, probably on Friday the 26th instant, and that he has been instructed to discuss with you the question of the Society's charges for the inspection of these rotors, and also to explain the application of the Society's regulations in regard to the survey of these parts.

I am, Dear Sirs,

Yours faithfully,

The British Thomson-Houston Co. Ltd.,
Marine Department,
RUGBY.

Secretary.
