Dear Sirs,

E.

With reference to my letter of the 10th instant respecting an Order placed by Messrs. The Power Plant Co.Ltd., of West Drayton, with Messrs. Craven Bros.Ltd., of Stockport for Iron Castings intended for use in the Double Reduction Gears made by the former Firm for Messrs. The British Thomson-Houston Co., I have to acquaint you that a letter has now been received from Messrs. The Power Plant Co. stating that they desire the inspection of these Castings to take place at the Works of Messrs. Craven Bros., instead of at their own Works, as previously arranged.

I am, Dear Sirs,

Yours faithfully,

Creelman

Assistant to the Secretary.

The Surveyors,

x LONDON.
