6th August, 1929.

Dear Sirs,

S. I duly received your letter of the 2nd instant respecting the steamer "SARASTONE", and have to say that the report on the hull is now in this Office and the report on the machinery is expected to-morrow, when the case will be submitted to the Committee.

I am communicating with the Society's Surveyors at Leith and Sunderland to obtain the payment of the fees for the survey, and on receipt of these fees the certificates will be transmitted to the Builders and Engine Makers.

If, however, it is your desire that the certificates should be sent to you the written consent of the Builders and Engineers should be obtained.

I am, Dear Sirs,

Yours faithfully,

Messrs. Stone & Rolfe, Ltd.,
Burrows Chambers,
SWANSEA.
