17th February, 1938.

Dear Sirs,

S. With reference to the classification in the Society's Register Book of your Motorship "SILVERAY", I beg to acquaint you that the Society's Surveyors at Sunderland recently issued a certificate in respect of an Exhaust Gas Heated Boiler made by Messrs. J. L. Thompson & Sons. Ltd. for this vessel. I think it well to advise you, however, that it is not proposed to insert a record of this heater in the Society's Register Book, nor to require it to be periodically surveyed.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
