High Close, Wokingham, Berks.

30th January, 1942.

& F.

Dear Sirs,

I have to acquaint you that the Load Line Certificate of the steamer "SWYNFLEET" expires on the 30th April next and I shall be glad if you will ascertain and let me know what arrangements are proposed to be made to carry out the requisite survey for the renewal thereof.

At the same time I think it well to point out that a General Examination for maintenance of class will require to be held by the end of May next and it is concluded arrangements will be made for this matter to receive attention in conjunction with the Load Line Survey. I shall be glad if you will inform the Owners accordingly.

At the same time I have to refer you to your report No. 51426 and to request that you will ascertain and let me know whether the Owners are now in a position to state within what time the Boiler Survey, which became due at the end of October last, will be carried out.

I am, Dear Sirs,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

HULL.
