Enclosures.

Sir,

I duly received your letter of the 13th instant enclosing the Classification Certificates for the M.V. "STORSTEN", and, as instructed, I beg to return the Certificates herewith, as the survey was not completed as originally intended.

On going on her trial trip yesterday, the vessel met with a mishap to her machinery, and it is not yet known how long it will take to carry out the necessary repairs.

I will advise you by wire immediately the date of completion is fixed.

I am, Sir,

Your obedient servant,
