

12  
Steamer "LONDON MARINER" ex "FELICIANA".

This vessel was built at Middlesbrough and launched on the 21st June 1921.

She was not completed, however, until May 1922, but the date of build assigned was December 1921, in accordance with the Rules then in force.

The Owners (Messrs. Furness, Withy & Co. Ltd) now ask that the date of build should be amended to bring the case into line with the present Rule.
