24th July, 1923.

Dear Sir,

I am in receipt of Mr. Gilmour's letter of the 21st instant regarding the mistake which occurred in rendering the account for the fees for the survey of the Machinery of the Steamer "FELICIANA", your report No. 11282.

I may point out that the nominal H.P. of the engines is 1004 and not 1010 as stated in the report, so that there will be a further difference of 3s/- in the amount of fees for Special Survey of the Machinery, making an excess payment on the part of Messrs. Richardsons, Westgarth & Co. Ltd. of £4. 14. 0.

It is considered that this amount should be re-paid to the Engineers out of your petty cash, and I have to request that you will be good enough to arrange accordingly and make the necessary corrections in your Books.

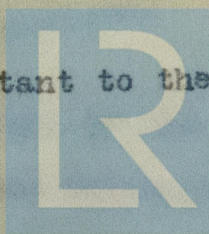

I am, Dear Sirs,

The Surveyors,

Yours faithfully,

MIDDLESBROUGH.

Assistant to the Secretary.
