Lloyd's Register of Shipping.

BELFAST

Port

9th January 1941

This is to Certify *that I have*

Surveyed the "TABARISTAN" 6251 tons gross of London for damage

stated to have been caused by heavy weather on 6th December 1940

whilst in convoy on outward bound voyage

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all / repairs

recommended by me have been completed to my satisfaction, and

that I have Recommended that she be continued as classed

without fresh record of survey, subject to permanent repairs to

Rudder trunk at first convenient opportunity and to the 'tween
decks above the after peak not being used whilst at sea for dry
and perishable stores until repairs to rudder trunk effected
being fit to carry dry and perishable cargoes.

This vessel is also subject to permanent repairs to shell
plating and riveting of shell in way of break of poop at first
convenient opportunity.

Wm. Balfour

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
