pro

5654, 57. As recommended.

5623 "MARIANNE". The remarks contained in your letter of the 8th instant are noted, and I now await the receipt of your report.

"CLARA" 5652. Classed 100 Al with notations of A & C P, ~~ALMC~~ 11,22 and Fitted for Oil Fuel 11,22, F.P. above 150° F.

The contents of your letter of the 5th instant are noted but I have to say that the explanation furnished regarding the delay in forwarding the reports in this case is not considered satisfactory. It is observed that the last date of survey was the 29th November, whereas the report was not forwarded to the Builders for signature until the middle of December and in this connexion I have to draw your attention to Paragraphs 277 to 280, Pages 116 ~~to~~ 117 of the instructions to Surveyors, and to request that you will make arrangements for future reports to be forwarded to this Office within a week from the last date of survey.
