Dear Sir,

S.S. "VALENCIA"

We have acquired the above ex German vessel.

We understand that the "Valencia" was not built under the Survey of your Society : we make application to you to classify the vessel Lloyds 100 A 1, and on completion of the necessary survey we request you to grant a Certificate for Special Survey No. 2.

The vessel is expected to drydock at Tilbury on Wednesday next, the 20th instant, for examination of bottom, and we shall be obliged if you will arrange for one of your Surveyors to be present.

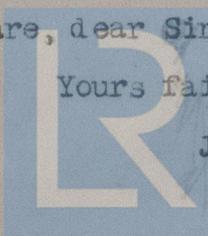

We are, dear Sir,

Yours faithfully,

JAMES NOURSE, LIMITED.
