Lloyd's Register of Shipping.

Port SINGAPORE

18th August, 1941.

This is to Certify that I have

*Surveyed the Boilers and Machinery of the starboard screw shaft
of the Steel Twin Screw Steamer "TIEN KWANG", 787 tons gross
of SHANGHAI, while afloat and in dry dock at this port,*

*and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have*

Recommended that the records of

B.S. 8,41 and T.S.O.G.(S) 8,41

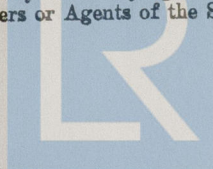

*be made in the Register Book in the case of this vessel, subject
to the section of the port and starboard screw shafts between
the after end of the oil gland and the forward end of the
propeller boss being re-examined before the end of August, 1942.*

John Wormald
Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
