

Lloyd's Register of Shipping.

71, Fenchurch Street, London, E.C. 3.

24th April 1923.

Dear Sirs,

With reference to the steamer "WANGARATTA" I have to request that you will arrange to undertake the survey of this vessel in accordance with the requirements of the Rules, Section 48, for vessels not built under survey.

Inquiry has been made of the Society's Surveyors at Belfast by telegram to-day as to whether this vessel is a sister ship to others which have already been classed, and if not, ~~they have~~ been requested to endeavour to obtain and forward copies of the plans of the actual ship, and as soon as their reply comes to hand you will be advised.

First Entry Report forms on hull and machinery will require to be prepared by you, and in addition, full particulars for freeboard assignment should be furnished on form 11b.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
LONDON.
