Dear Sir,

S.S. "WANGARATTA"

This vessel at present classed with British Corporation is due for No 1 Survey in July this year and the Company propose to transfer her to Lloyd's as is now being done with the "Nowshera"

She goes into drydock, Royal Albert Dock, London, on the 2nd May and I shall be glad if you will arrange for the Survey of the vessel and grant a re-assignment of freeboard and advise me what markings etc you desire on the ship's side.

I am advising the British Corporation of the proposed transfer and that I will surrender the Load Line Certificates granted by them originally, in due course.

Yours faithfully

Marine Superintendent,
