High Close, Wokingham, Berks.

Dear Sirs,

With reference to your letter of the 17th August last respecting the Motorship "TREVAGAN", I shall be obliged if you will kindly let me know whether you are yet in a position to state what arrangements can be made for the electrical equipment to be generally examined.

I take this opportunity to remind you that the Continuous Survey of this vessels Oil Engines is somewhat behindhand.

I am, Dear Sirs,
Yours faithfully,

Messrs. The Hain Steamship Co. Ltd.,
