Enclosures.

Under separate Covers

24th September, 1936.

Dear Sirs,

R.

I duly received your letter of the 17th instant, with enclosed plans advised therein of general pumping arrangements proposed for Messrs. Lithgows, Ltd., Yard No. 898-9, and I have to inform you that this plan will be approved, provided the arrangements be as shown and amended thereon, and the remaining requirements of Sections 20 and 34 of the Rules (1935-6) be complied with so far as they are applicable.

I may point out that in order to comply with the requirements of Section 34, Clause 4(a), the drain cock from the after peak tank should be dispensed with.

I return herewith two copies of the plan, together with the two reference plans forwarded by you.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
GREENOCK.
