Dear Sirs,

S.S. "TRENTSIS" (ex. "WAR ACONITE")

We beg to acknowledge receipt of your letter of yesterday, and are very much obliged for your agreeing to our suggestion to re-classify this steamer in your Society. We will bear in mind to advise you when and where vessel will be drydocked, also when Machinery is opened up for examination, and, for your guidance, it is presently intended that vessel will proceed to the Tyne for this purpose, and she expects to finish discharge in London in about a fortnight's time.

Yours faithfully,
