25th September, 1919.

Dear Sirs,

With reference to your letter of the 23rd instant it is noted that you have taken over from the Ministry of Shipping the S.S. "WAR ACONITE" (to be re-named "TREPUSIS"), and that you desire her to be classed with this Society in common with the rest of your fleet.

I need hardly say that the Committee will be happy to assist you in every possible way, and if you will be so good as to inform me when and where the vessel is in dry dock and also when the machinery is opened up for examination, the Society's Surveyors will be instructed to give the case prompt attention.

I am, Dear Sirs,

Yours faithfully,

Secretary.
