Dear Sir,

With reference to your letter of the 5th instant, respecting the case of the steamer "TREFUSIS" ex "WAR ACONITE", we should be glad to be informed whether the Certificate required is the British Corporation Certificate of Classification of Machinery. It will be noted that this vessel is No. 29787 in the Register Book, built in 1918 to the classification of the British Corporation - engines constructed by Messrs. Harland & Wolff.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,  
per

The Secretary,  
London.
