

SUNDERLAND RPT. No. 27335

S U N D E R L A N D.

16th September, 1918.

JAMES EASTHOPE & G A HAYES

survey the main engines No. 528 constructed by Messrs.
Harland & Wolff, Glasgow, and fitted in the S.S. "WAR AGONITE"
Messrs. Boxford & Son's No. 529 vessel.

These engines have been built under special survey
and in accordance with the rules and had the boilers been
constructed under special survey the same would have been
entitled to the record of L.M.C. 9.18
