

S.S. "UMARIA"

In reply to enquiry which has been made of the Owners (The British India Steam Navigation Co.) Mr. Duncan, the Chief Engineer, states he considers Messrs. Barclay Curle & Co. should be informed of the Society's practice not to furnish copies of reports without the written consent of the Owners being obtained.

Mr. Duncan will, however, be obliged if we will forward a copy of the report in question to the Secretary, British India Steam Navigation Co.Ltd.
