

Lloyd's Register of Shipping.

201, Tower Building,

Liverpool, 3, 22nd. September, 1942.CLOSURE.

Dear Sir,

I beg to enclose a communication from Mr. H. L. Sutherst
 in reply to London letter of the 18th. instant, regarding the
 survey now being carried out at this Port on the boilers of
 the steamer "UMARIA".

I am, Dear Sir,
 Yours faithfully,

Secretary,

LONDON.

Secretary to the
 Liverpool Committee.

I arranged for Mr. Taylor to examine the boilers the follow-
 ing day, and this was done, Mr. Taylor having previously been asked
 to pay particular attention to the seams with an eye to detecting
