S

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

In cases which have to be submitted to the Shipping Commission the endorsement to contain a summary of any repairs that have been required and to state the cause or causes of such repairs and also to bring out clearly any exceptional features in connection with the case so that the Shipping Commission may have all the relevant points presented to the authorities. (Extract from Sub-Committee's Report, 22/2/22)

20th January, 1942.

Survey FIRST ENTRY

Dear Sir,

This vessel to the "ITRIA" and "URLANA".

With reference to Glasgow First Entry Report No.64917 on the steamer "UMARIA", I may say it is concluded that, as in the case of the sister vessel "URLANA", hatch covers have been fitted at the second deck in this ship.
