Dear Sir,

In reply to the enquiry contained in the classing letter of the 19th instant, respecting Newcastle Report No. 72883 on the steamer "WAR MEHTAR", I beg to state that the middle line bulkhead was tested as required.

The approved plans of Midship Section and Profile referred to in the report are enclosed herewith, and these being the Office copies of guidance plans in connection with the "Z" Type Standard steamers, I should be glad if you would be good enough to return same in due course.

I am, Dear Sir,

Yours faithfully,

Arthur F. Jennisi
