27th July, 1914.

Dear Sir,

M.

I have to acquaint you that it appears from a First Entry Report received from the Society's Surveyors at Middlesbrough that the S.S. "PALERNIAN", built by Messrs. W. Harkess & Son, Ltd. has proceeded to your port.

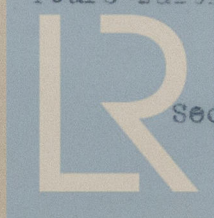

To complete the survey on the hull the following remains to be done:- 3 watertight doors on stokehold bulkhead and trunks to this bulkhead to be examined and tested, and the bower anchors to be made to stow properly in the hawse pipes.

I shall be glad if you will be so good as to give the case attention and on completion of the work forward a report on Form 8 in the usual manner for the information of the Committee with a view to the classification of the vessel.

I am, Dear Sir,
Yours faithfully,

R. Williamson, Esq.,

LIVERPOOL.

Secretary.
