Dear Sirs,

We thank you for yours of 25th instant returning Midship section and fly leaf with recommendations regarding the fitting of an intercostal girder in lieu of fitting pillars to alternate floors.

We enclose herewith in triplicate plan for No.2 Hold being the basis plan for all holds made out to new arrangement embodying all recommendations and shall be pleased if you will kindly stamp two prints and return to us so that we may have one copy for our office records and pass one print on to your Liverpool Office for Surveyors use.

We enclose herewith prints of No.4 Hold, and shall be pleased if you will kindly return one print with any recommendations at your earliest convenience, so that we may let Contractors know of any alterations before material is ordered.

We shall, of course, let your Liverpool office have prints of No's 1,3 and 4 holds in addition to that for No.2 Hold.

Yours faithfully.
