Dear Sirs,

Orlop Deck.

Enclosed herewith are photo prints of proposed Orlop Deck in No.3. Hold, and we shall be pleased to have your comments and approval at your earliest convenience.

There are at present several supporting pillars for Refrigerating Machinery, it is not intended to cut these in way of new orlop deck, but rather to cut the new beams in way of these pillars and to tie same to adjacent beams as shewn; trusting this meets with your approval.

Yours faithfully.
