

MESSRS. NAPIER & MILLER'S NO. 225.

S.S. "LUCIADA".

Captain Martin, The Marine Superintendent for the Owners, has called at this Office and stated that the Owners of the above vessel, the Blue Star Line, desire that she should be classed with this Society.

He states it is intended for the vessel to be launched tomorrow, the 26th instant, and requests that a telegram should be sent to the Glasgow Surveyors in order that they may take the opportunity, if required, of seeing the bottom of the vessel before she is put into the water.

The ship is of the Standard "A" Type, and has been built under the survey of the British Corporation.

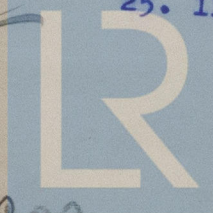

It is submitted the Glasgow Surveyors be informed by wire that it is desired they should survey this vessel for classification with this Society, and they should at once take the necessary steps ^{for comparing the ship as built with the approved plans for the} As the vessel is to ^{"A" type Standard Ship.} be launched tomorrow, they should take advantage of the opportunity to examine the bottom of the vessel before the launch.
