Recd. 13/6
ENCLOSURES.

Dear Sir,

We enclose herewith a letter received here this morning from the Society's Glasgow Office regarding the proposed classification of the S.S. "NITEDAL", No 78526 in Register Book.

The plans referred to which have not been stamped are also enclosed together with the copy of letter addressed from Glasgow to the New Owners.

No pumping plans nor any particulars of the machinery or boilers have yet been received.

The vessel arrived here yesterday and is expected to be placed in dry dock in the course of a day or two, and we shall be obliged if you will kindly state if the survey may be proceeded with.

We are, Dear Sir,

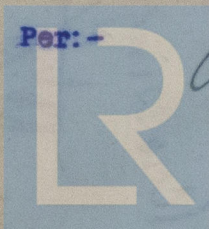

Yours faithfully,

The Secretary,

LONDON.

The Surveyors,
