Enclosure.

24th March, 1925.

Sir,

I beg to acquaint you that Mr. Blackwood, of Messrs. Macbeth, Blackwood & Laurie, has called at this office in regard to the Steamer "NITEDAL" which he is contemplating purchasing. This vessel is classed with the Norske Veritas and Mr. Blackwood desired to know what extra strengthening, if any, would be required in order to obtain the Society's classification. The case has been gone into and I enclose herewith a copy of the endorsement drawn up by Dr. Montgomerie on the subject, as it is thought possible that a similar enquiry may be addressed to your office by prospective buyers.

I am, Sir,

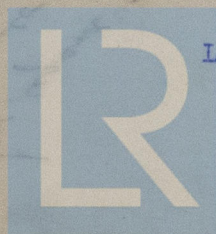

Your obedient servant,

P. L. Warlow
