Messrs. The Surveyors,
Lloyd's Register,
WEST HARTLEPOOL.

Dear Sirs, s.s. "961".

The Norske Veritas Surveyors require copies of
the Test Notes of Material supplied to this vessel.

Most of the tissue copies which we received
from the makers are amissing. ✓

If you could possibly let us have the copies
which you received in testing the material it would sat-
isfy the Norske Veritas, and we would be much obliged.

Yours faithfully,

FOR WILLIAM GRAY & Co., LIMITED.
