

Lloyd's Register of Shipping,

Lloyd's Bank Chambers,

Middlesbrough, 5th May 1926.

Dear Sir,

With reference to your letter of the 3rd inst., received this morning, regarding the Motorship "JAVA", no doubt you would receive this morning, our letter of the 4th inst., forwarding the First Entry Certificate on the Hull with a request, on behalf of the Builders, to have the certificate, after correction, forwarded to Messrs. The British Molasses Co. Ltd.,

The Machinery Certificate was handed to the Builders yesterday and it is understood they were forwarding that direct to the above Company yesterday.

I may say that, as the Builders stated they were anxious to receive the Certificates, they were informed of their arrival on the day on which they were received at this Office, and again reminded on the 26th April, but the cheque for the fees was not received until yesterday.

I am, Dear Sir,
Yours faithfully,

The Secretary,
LONDON.
