Enclos:- **LLOYD'S REGISTER**
Recd. 7 MAY. 1926

Dear Sir,

LONDON

We beg to return herewith the First Entry Certificate on the Hull of the M/V "JAVA", and shall be glad if you will be good enough to give instructions for the necessary corrections to be made therein, as per pencilled notes, and to cause the same to be sent by messenger at your earliest convenience to Messrs. The British Molasses Co. Ltd., Bush House Aldwych, at the request of the Builders who state that the same are urgently required.

We may state for your information that the corrected tonnages now supplied by the Builders are the actual Norwegian Tonnages assigned to this vessel, and the omission of the 1st Longitudinal from the centre line would appear to be a clerical omission.

We are, Dear Sir,
Yours faithfully,
The Surveyors,

Per:-

April B. Seaver.

The Secretary,

LONDON.

Urgent

Referred to the Chief Ship Surveyor.

7 MAY 1926

Also for Mr. Mayne to note.

It is presumed that the alteration to the net tonnage as originally submitted by the Builder is due to the Home Office interpretation of their intention of revocations of an explanation from the Surveyors that the absence of an explanation from the Surveyors at one time deducted from the gross tonnage is now included in the net tonnage.
