11th January, 1938.

The Secretary,
LONDON.

Dear Sir,

m.v. "PACIFIC TRADER" being
re-named "BRAGANZA".

Reverting to your letter of the 6th instant we now beg to forward our Report No.95810, the Special Survey No.3 having been completed last night. As previously arranged the Sellers of the vessel are desirous that the survey fees should be paid from their London Office with a view to obtaining Classification Certificates without delay, and in these circumstances no account has been rendered from this Office.

We should be glad to have your instructions as to the amount of fee chargeable at this time in respect of the completion of the Continuous Machinery Survey, and if you would be good enough to arrange for this item to be inserted in the Report and to be included in the account being rendered to Messrs. Furness Withy & Co. Ltd., in London.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS,
