This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."

2.

"CITY OF VENICE".

FOUND.

RECOMMENDED.

Deep tank to be filled and tested on completion of repairs.

All removals necessary to effect repairs to be dealt with and replaced as formerly.

New and disturbed work to be recoated.

The foregoing recommendations were made to place the vessel in the same good condition as she was in prior to the stated casualty.

The repairs have not been dealt with at this time.

FOR A.W. JACKSON.
