4th August, 1933.

ENCLOSURE.

Dear Sir,

I send herewith a copy of a letter which has been addressed to the Surveyors at Manchester respecting independent fusing of alarm circuits for the exhaust turbo-electric scheme proposed by Messrs. Metropolitan Vickers Electrical Co. Ltd. for the s.s. "CITY OF VENICE", and as the test referred to therein is essentially an electrical one I shall be glad if Mr. R. C. Clayton will make the necessary arrangements to attend the Firm's Works for the purpose of witnessing the same.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

LIVERPOOL.
