H. C. Ascough Esq.,  
LONDON.

Dear Mr. Ascough,

Reverting to our previous correspondence - the fees outstanding against s.s. "CITY OF HANKOW", our Report No. 86308, have not yet been paid, and I do not think any harm would be done now if the Liverpool Office were asked to make a call upon the Owners.

You will see from our official letter of 19th ultimo that the Superintendent Engineer stated he had passed the account for payment of 29th January.

*With kind regards*  
Yours faithfully,

*J. P. Davies*
