Collingwood Buildings, Newcastle-on-Tyne.

23rd January 1931.

H. C. Ascough Esq.,  
LONDON.

Dear Mr. Ascough,

Further to mine of 16th inst. regarding the account outstanding against s.s. "CITY OF HANKOW", Mr. Butler was out with Mr. Hinchcliffe on trial trip yesterday and discussed this matter at some length.

It was in the end agreed that Mr. Hinchcliffe would pass the present account for payment but that we would compromise to some extent by going easy with the fees for the somewhat similar case of "CITY OF MANILA" which is now completing.

With kind regards,

Yours faithfully,

*A. Davies*
