7th June, 1915.

Dear Sirs,

M.

I have to inform you that the First Entry Report on the Steamer "CITY OF HANKOW" has been received from the Society's Surveyors at West Hartlepool, from which it appears that the vessel is proceeding to your port and that to complete the survey for classification 130 fms. of 5 $\frac{3}{4}$ " steel wire tow rope require to be supplied and ~~the~~ the fly wheel hand pump to the bilges to be examined under working conditions from the after bilges.

I shall therefore be glad if you will give these matters the necessary attention on the vessel's arrival at your port and forward a report in due course for the information of the Committee with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
NEWCASTLE.
