COPY.

## Lloyd's Register of Shipping.

(State Name of Dock.)

Port MOMBASA,

1st March, 1943.

This is to Certify that I have

Part

Surveyed ~~the Boiler and Machinery~~ of the M.V. "DUMRA" of  
London, 2304 tons gross, whilst afloat at Mombasa,

and that I have transmitted to the Committee at Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection [therewith] have

been carried out to my satisfaction, and that I have

Recommended that the record of L.M.C. C.S.

With date

be made in the Register Book in the case of this vessel when  
the survey has been completed.

Parts now examined:—

Port Main Engine. Air compressor complete except intercoolers.

No.1 main crankshaft journal with brasses.

Auxiliary Machinery. Feed pump and oil pressure unit complete.

Fuel pressure unit complete with strainers and

the above examined and found in good

J.A. Van Lare.

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error or omission, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Agents of the Society."
