*Extract from letter dated 26. 6. 41. received from**Plymouth Surveyors.**Original letter with "CALORIE"**Vessel's Name "PORTWEY"*

Owing to the Loss by this Company of another Tug
"DENCADE" by Enemy Action it is improbable that the "PORTWEY"
will be released for some time for examination either in
the Dry Dock or on the Hard.

I have to confirm that the after Peak has been examined
and found efficient.
