DENCADE PLEASE WIRE CORRECT DIMENSIONS AND TONNAGES.

SIR,
I beg to acquaint you that the steel screw tug No. 298 built by Scott & Sons, Bowling, No. 3 under "new ships not named" in Register Book, has not been named "DENCADE" and COMMITTEE.

As the Builders desire to furnish the Owner with first entry certificate not later than Friday morning, I shall be glad if you will kindly give instructions for the same to be forwarded to your office by return of post.

In view of some uncertainty as to the correct tonnages in this case I will advise you by wire tomorrow should any alteration be necessary therein.

I am, Sir,

Yours obedient servant,

The Secretary,

Lloyd's Register,

LONDON.
