THE UPSON WALTON COMPANY NEW YORK.

Superior Shipbuilding Co.,
Superior, Wis.

JAN. 18th 1917

Gentlemen:-

Referring to wire hawser, tow line,
and mooring lines for steamer "5250" are pleased
to guarantee these lines to have a breaking strain
of 85 tons to the square inch.

The various lines have been tested to the
following strengths without sign of any breakage:

4 - 540 feet Mooring Lines	2½ Cir.	14 tons.
1 - 540 feet Hawser	3½ Cir.	27 Tons.
1 - 540 feet Tow Line	3½ Cir.	34 Tons.
1 - 540 feet Stream Line	4" Cir.	42 Tons.

Yours Very truly,

Upson Walton Co. of N. Y.
