OUR REF. WAJ/LS. 9275M.

Messrs. Lloyd's Register of Shipping,
71, Fenchurch Street,
LONDON, E.C.3.

23rd December, 1936.

Dear Sirs,

MESSRS. BARCLAY, CURLE & CO.'S ENGINES NO. 666.

In connection with the Superheaters we are supplying for the above, we have pleasure in enclosing in triplicate prints of the following drawings showing our "RB" type Superheater, and shall be glad to have your approval of these as soon as possible, returning one print of each duly stamped and signed as approved, together with your survey request forms.

MN.11140 - Arrangement of Superheater.
MA.8190 - Detail of Headers.
MB.11110 - " " Elements.
ML.650 - " " Elbows.

The headers for this contract will be made from mild steel blooms selected from those in stock at our Works, manufactured by Messrs. Steel, Peech & Tozer to your classification, mill certificates being available at our Works.

The elements will be made from solid cold drawn mild steel tubing, manufactured by Messrs. Tubes, Ltd., Birmingham, and placed before you for inspection at our Works, the tube makers supplying mechanical test certificates and chemical analysis.

The cast steel elbows selected from our stock, having been manufactured by Messrs. Renton & Fisher, Ltd., Bathgate, to your requirements, inspection and hydraulic test at their Works before despatch.

The completed apparatus will be subject to your final hydraulic test and survey at our Works before despatch.

Yours faithfully,
For: THE SUPERHEATER COMPANY, LIMITED.
