Your Ref: H. & F.

Dear Sir,

s.s. "EL GRILLO"

Your letter of the 8th instant duly received in which you remind that the Annual Survey in connection with the Load Line Certificate becomes due on the 12th May next.

We also note from the postscript your remarks with regard to the testing of the summer tanks and in this connection we have to confirm our telephone conversation of yesterday afternoon when we indicated to you that the "EL GRILLO" is presently trading in cold waters and would be so operating for some months and it was impossible for us to say when she would be at a suitable port to complete the summer tank testing and so finalise the 2nd Special Survey No.2.

When the "EL GRILLO" is at a suitable port, which we hope will not be many months hence, we will see that your Surveyors are informed of the position so that they may be in attendance.

Yours faithfully,

C. T. BOWRING & Co. LIMITED
