

NEWPORT, MON.

15th Jan., 1920.

T. M. Gibson

the Owners Representative examine the Starboard Anchor and 105 fathoms Gail Cable of the steamer "A R L Y", 2629 tons gross whilst afloat in the Alexandra Dock, Newport, Mon., on 2nd Jan., 1920 and subsequent dates, for the purpose of ascertaining the nature and extent of damage alleged to have been sustained in consequence of vessel dragging heavily at her Anchors in Barry Roads on 31st Dec., 1919.

Found.

Recommended.

Fluke of Starboard

Anchor be renewed.

Anchor broken.

105 fathoms of Star-

Cable be tested and studs repaired.

board chain cable strained Note. In consequence of labour

and anumber of studs

difficulties and in order to avoid

loose and missing.

delay 105 fathoms of new cable

was placed on board.

The above recommendations were carried out to place the vessel in the same good and efficient condition as before the damage was sustained.

Fee £3:3:0
