

Lloyd's Register of Shipping,

201, Tower Building,

Liverpool, 3, 28th. March, 1944.

Dear Sir,

With reference to your letter of the 23rd. instant, respecting the steamer "EMPIRE MOORHEN", I have to acquaint you I have been in communication with the Owners, and am now in receipt of a reply from them reading as follows:-

"EMPIRE MOORHEN".

"We acknowledge receipt of your letter of the 25th. March with reference to the furnace and turbine repairs to be effected on this ship before the end of this month in order to retain her classification in your Register Book.

The steamer is at present under the control of the Sea Transport Department and in view of her present service we consider it is highly improbable that we shall be called upon to make the repairs or to submit the vessel to Survey".

The Secretary,

WOKINGHAM.

I am, Dear Sir,
Yours faithfully,

[Handwritten signature]
Secretary to the
Liverpool Committee.
