

re all Pipes, Cocks, Valves, and Pumps in connection with the machinery and all boiler mountings accessible at all times.
re the Bilge Suction Pines Cocks and Valves

SS. "West Totant" & SS. "West Nohno"

It is submitted the Portland Oregon Surveyors be informed
it is concluded that ~~one set of coupling bolts~~ one
Set of lubrication pump valves & bucket & rod also one
Set of liners for adjusting block have been placed
on board as Spare gear; but as no mention is
made of this in their report they should be
requested to state whether this is so.
