10th June, 1936.

Dear Sirs,

E.

I duly received your letter of the 3rd instant, in further reference to the plan of Daily Service Fuel Oil Tanks intended for Trawler No. T.8 building by Messrs. Chantiers de Penhoet, St. Nazaire, and with regard thereto I have to inform you that the plan of these tanks has been re-examined and it has been decided that the amendments referred to in your letter and indicated on the plan are essential.

I shall be glad if you will advise the Firm accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HAVRE.
