Messrs. Lloyd's Register,

LONDON E.C.3.

Dear Sirs,

Motor Trawler. Shafting.

We sent you for approval, on the 11th March, the plan of the crank shaft of the 7 cylinder engine we propose fitting on board the trawler being built at our yard under your Society's supervision.

We are enclosing herewith, 3 copies of the plan 8290-1, showing the shafting of this vessel.

We beg you to examine this plan, and approve also the diameters which we have selected.

We have indicated on this plan all the particulars which you require for the calculation of the shafting.

We are, Dear Sirs,

Yours faithfully,

Signature.
